TITLE: INTRODUCE ORDINANCE NO. __ AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, ESTABLISHING COMPENSATION FOR THE CITY'S DIRECTLY ELECTED MAYOR POSITION

RECOMMENDED ACTION

Recommendations:

1. That the City Council introduce and conduct a first reading of Ordinance No. __ an Ordinance of the City Council of the City of Moreno Valley, California, establishing Moreno Valley Municipal Code Section 2.04.055 regarding Compensation for Directly Elected Mayor.
2. Amend the Proposed Budget as set Forth in the Fiscal Impact Section within this Report.

SUMMARY

This report proposes an ordinance establishing compensation for the position of directly elected Mayor for the City of Moreno Valley.

DISCUSSION

Measure R: Directly Elected Mayor

On November 4, 2014 the voters of Moreno Valley overwhelmingly (75% approval) passed Measure R creating the office of a directly elected Mayor. The City progressed from having a Mayor selected each year by the Council to one elected every two years by the voters citywide.

The powers and authorities of the office of Mayor in a general law city are granted by state law. These include:

- Presiding over ceremonial functions;
- Presiding over meetings of the agency;
- Signing official documents; and
- Administering oaths.

Under state law the directly elected Mayor also has the authority to appoint, subject to Council approval, members of local and regional boards, commissions and committees.

In addition to the appointive authority mentioned above, the passage of Measure R resulted in the fivefold increase in the number of constituents directly represented by the Mayor. While Councilmembers each represent approximately 50,000 residents in their district, the directly elected Mayor represents over 200,000 residents citywide, a population which ranks as the 22nd largest among the 482 cities in California.

Full Time Expectations and Responsibilities

The election of a citywide Mayor oftentimes invokes the expectation that the Mayor will be a full time representative of the community and also be available to constituents full time. There are compelling reasons for the position of elected Mayor of a city the size of Moreno Valley to be considered a full time responsibility:

- Increased access for the public.
- Acting as the face of the city at speaking engagements, providing updates and news to various groups, employing communication tools such as the Mayor's Minute videos, weekly website messages and telephone townhalls.
- Meeting with potential new businesses.
- Time allocated to review applications, interview and make appointments for approximately 100 positions on boards, commissions and councils.
- Increased access for the staff, particularly the City Manager, City Attorney and City Clerk for meetings, agenda planning and review, and attention and focus on the Momentum MoVal Strategic Plan initiatives.
- Increased access for Council colleagues to foster communication and cohesiveness.
- Represent and advocate for the City at the regional, state and federal levels.
- Make Moreno Valley consistent with other large cities to appropriately reflect its stature and growth.

Compensation

The directly elected Mayor continues to be a member of the City Council and, as such, is entitled to the same compensation as the other members of the Council. Per California Government Code section 36516.1 an elected Mayor may receive compensation in addition to the compensation established for Councilmembers.

It stands to reason that larger cities tend to provide higher salaries for their Mayors. Staff compiled the following information indicating the salaries of directly elected Mayors that represent cities with populations over 200,000 in the state:

| DIRECTLY ELECTED MAYORS ROSTER (1) | | |

If adopted by the Council, the attached ordinance would establish an annual salary of \$95,000 for the position of directly elected Mayor. This amount represents the average salary of the directly elected Mayors in the cities noted above (population of 200,000+). As a member of the Council, the Mayor would still be entitled to the same compensation and benefits as the other members of the Council (salary is currently set by ordinance at \$1,101 per month). This item only addresses the base salary and does not affect other compensation or benefits.

ALTERNATIVES

Alternative 1: That the City Council introduce and conduct the first reading by title only of Ordinance No. __ establishing Moreno Valley Municipal Code Section 2.04.055

regarding Compensation for Directly Elected Mayor, and amend the adopted budget as set forth in the fiscal impact section within this report.

Alternative 2: That the City Council not introduce Ordinance No. ___ establishing Moreno Valley Municipal Code Section 2.04.055 regarding Compensation for Directly Elected Mayor, and not amend the adopted budget as set forth in the fiscal impact section within this report.

FISCAL IMPACT

As proposed, Ordinance No. ___ establishes an annual compensation for the position of directly elected Mayor at \$95,000. General fund revenues are sufficient to fund this budget adjustment.

| Description | Fund | GL Account No. | Type (Rev/Exp) | Budget | Proposed Adjustments | Amended Budget |
