Rebuttal to argument Against Moreno Valley Measure U

Moreno Valley voters already enacted the basis for Measure U in 2021. Your continued "Yes" simply prevents out-of-town judges from ending what Moreno Valley voters already agreed to!

Local safety advocates, local small business owners, and community organizations are concerned about our safety. That is why we support Measure U!

We want our 911 fire and emergency medical calls answered quickly- when seconds count. We need to know our kids are safe and away from drugs and gangs after school. We need our roads repaired and our neighborhoods and business corridors safe for everyone.

Moreno Valley is at a crossroads. As emergency federal funding ends and the cost of basic services rise, we can choose to reauthorize a measure that keeps our local tax dollars local, or prepare for devastating cuts to the basic services our communities and families need most.

YES on U was developed with community input! The city invested in mail, phone, and in-person meetings to gather feedback from hundreds of Moreno Valley residents - where over 79% of residents agreed that the city needs funds for our basic services.

Here's what Measure U does NOT do:

- Measure U is not a tax on your home or property.
- Measure U does not apply to food purchased as groceries or prescription medication.

Join your neighbors, local firefighters, and local small business owners and say YES on U. Thank you for voting in this important local election.
