## I. INTRODUCTION

The Moreno Valley Public Financing Authority (the "Authority") issued \$30,985,000 Lease Revenue Refunding Bonds, Series 2021 (Taxable) (the "Bonds"). Proceeds of the Bonds were used to refund all of the outstanding Authority's Lease Revenue Bonds, Series 2015 (Taxable) and Lease Refunding Revenue Bonds, Series 2016 (Taxable).

The City of Moreno Valley (the "City") is located approximately 66 miles east of Los Angeles and 100 miles north of San Diego, California. The City encompasses approximately 51.5 square miles, located in the western portion of Riverside County (the "County"), surrounded by the City of Riverside, the City of Perris, March Air Reserve Base, Lake Perris, and the Badlands.

The Bonds are special obligations of the Authority, payable solely from a pledge of revenues consisting primarily of base rental payments to be received by the Authority from the City pursuant to a Master Facilities Sublease, dated as of December 1, 2015, as amended by a First Amendment to Master Facilities Sublease, dated as of December 1, 2016, a Second Amendment to Master Facilities Sublease, dated as of April 1, 2019, and a Third Amendment to Master Facilities Sublease, dated as of October 1, 2021, each by and between the Authority, as sublessor, and the City, as sublessee. The Bonds are secured on a parity basis with the Authority's Lease Revenue Bonds, Series 2019 (Taxable).

This Annual Continuing Disclosure Information Statement (the "Report") is being provided pursuant to a covenant made by the City for the benefit of the holders of the Bonds and includes the information specified in a Continuing Disclosure Certificate. <sup>(2)</sup> Vehicle License Fees In-Lieu: Tax paid annually with registration of vehicles and distributed to cities and counties based on population growth. In 2004, it was replaced for cities and counties with the Property Tax In-Lieu of VLF. First priority now goes to fund health and welfare programs with any remaining funds distributed to cities and counties based on population.

<sup>(3)</sup> In Fiscal Year 2018/19 the voters approved the Cannabis Business Tax. Fiscal Year 2019/20 was the first year any businesses were subject to the tax.

This 1.00% is shared by all taxing agencies for which the subject property resides within. In addition to the 1.00% fixed amount, property owners are charged taxes as a percentage of assessed property values for the payment of the Metropolitan Water District bonds, the Eastern Municipal Water District bonds and the Riverside Community College bonds.

<sup>(1)</sup> The City began participating in the "Teeter Plan" in fiscal year 1993/94. The Teeter Plan adopted by the County of Riverside guarantees each participating city payment equal to 100% of the total tax value. Any delinquencies and the associated penalties and interest are collected and maintained by the County. Supplemental taxes for new construction put into service after the tax rolls are completed are collected in a county pool and then allocated to all cities based on a formula. Because these tax amounts are not included on the original tax roll these amounts are reported as collections but are not included in the amount levied.
