1. Agencies provided information on turn-around times in the unit of weeks

2. Based on the number of hours each agency worked in a one week period, the turn-around times were converted into hours for a common unit of measurement.

3. Riverside county Transportation and Land Management provided their plan check turn-around times in days (15, 10, and 10). As they work a 4-day, 32-hour work week, it was converted into fractions of a week (i.e. 15 days / 4 days per week = 3.75 weeks and 15 days x 8 hours per day = 120 hours)
