The Economic Development Summary is intended only to keep the City Council and City Department Heads current concerning ongoing and potential future developments. Much of the information contained in this *Summary* is preliminary and subject to change. In particular, information concerning potential land use and/or economic development projects is to be considered tentative and preliminary (and in some cases may be speculative), subject both to change and to all future City review and approval processes. Nothing in this *Summary* constitutes, evidences, or implies City approval of any such project, nor City acceptance of any proposed terms of any agreement, contract or understanding referred to in this *Summary*. All such matters remain fully subject to all normal City approval processes, up to and including public meetings and/or public hearings before the Planning Commission and/or City Council, at future dates.
