ROCKS

CELEBRATING PUBLIC POWER WEEK 2026

A Community Energy Education Celebration

Meet Your Public Power Crew

Food • Giveaways • Demos • Kids Fun Zone • Prizes

Come meet the people behind the **Moreno Valley Utility** and discover how your community-owned electric utility works for you every day.

- See how we're **engineering** the electric grid of the future
- Discover **energy-saving** programs, rebates & incentives
- Learn where your **electricity** comes from and explore MVU's power supply portfolio
- Meet your local **customer service team**
